THOMAS & SUIT HOMES WINS TWO AWARDS FOR QUALITY CONSTRUCTION
Home Builders Association honors new display and remodeling project

The Home Builders Association of St. Louis & Eastern Missouri has awarded two prestigious Professional's Choice Awards to Thomas & Suit Homes. The organization honored the builder with an award for its stunning Alberta display at The Enclave at Sommers Pointe in O'Fallon and for a spectacular large-scale addition to a home on Plum Tree Drive in St. Peters. Professional inspectors select the winners based on the quality of construction. These awards are in addition to their recent Homer Award for the incredible Sassafras display at Wyndgate Forest.

According to Thomas & Suit Homes CFO and Partner Brenda Suit, "We are proud to have received these exceptional honors from the HBA. The hallmarks of our company are our personalized service and the high standards we set for quality. In fact, company partner Steve Thomas personally oversees construction of every home we build."

The award-winning remodeling project is a 24' x 26' custom two-story addition to an existing home. The upper level is a spacious recreation room, complete with a corner fireplace. Thomas & Suit included a triple bay window, an arched window and multiple additional windows to take full advantage of the wooded views afforded by the home's large lot. The walkout lower level, designed specifically for the owners, contains ample room for boat storage and a workshop.

The additional award-winner is the 2,260-square-foot Alberta ranch display model at The Enclave at Sommers Pointe. This home offers 11-foot ceilings accentuating the great room, breakfast room, hearth room and kitchen. The luxurious master suite boasts a room-sized walk-in closet that's 10'7" x 10'1". The Alberta has distinctive features at every turn, including extensive hardwood flooring, a direct-vent gas fireplace in the hearth room, a separate dining room, and a convenient oversized laundry room. In addition, the home has a convenient drop zone off the three-car garage, as well as a covered patio.
